MIGHTY LIFT™ HIGH LIFT PALLET TRUCK

Now a pallet truck & a lift-table All in One!

3,300 lbs Capacity

- Innovative functional combination of pallet truck and lift table for great flexibility
- Reduces muscle fatigue and back injury by eliminating repetitive bending, twisting and lifting

- Increases productivity up to 40% by doing all three in one: picking-up loads, transferring to work stations and lifting them up to the most efficient height
- Versatile adaptation to hundreds of applications, such as feeding press binders, cutters, conveyors, assembly lines, etc.

- Heavy duty hydraulic pump with sealed air tight fluid system
- Tough telescopic hydraulic composed of 3 chrome plated rods for easy and safe lifting
- Two automatic brakes and two side stabilizers engage automatically once forks are raised
- When stabilizers are lowered, steering wheels are raised 4" off the ground making the truck immobile.

Telescoping Fold-A-Way Aluminum Platform Truck

- Rugged construction built for durable trouble-free service
- Ergonomic light weight feature for easy handling
- Telescoping tubular locking handle & frame for compact storage
- Vinyl corner protectors to protect walls, containers and door ways
- Ideal for personal use, office, shop, hospital & warehouse
- Individually packed for easy storage & shipping
