

MIGHTY LIFT™

PALLET TRUCK

Mighty Power !

5,500 lb Capacity

- Manufactured and tested to meet **ISO 9002 & TUV/GS**
- Ergonomic handle design for fatigue-free operation
- Convenient hydraulic controls for neutral, lifting or lowering
- Dependable hydraulic pump for quick lifting & stepless lowering
- Reinforced high tensile steel frame for durability & reliability
- Well designed steering wheels for easy & smooth maneuvering
- Specially engineered for simple maintenance and easy parts replacement

- Unique ergonomically designed self-returning spring-a-matic handle in shockproof plastic ensuring a firm grip whatever the conditions

- Heavy-duty hydraulic unit w/ integrated cylinder & leak proof airless pump to prevent oil leaks & mechanical damage
- Quick lift with only 11 strokes to 4.6" maximum lift
- Hard chrome plated ram & piston for less maintenance

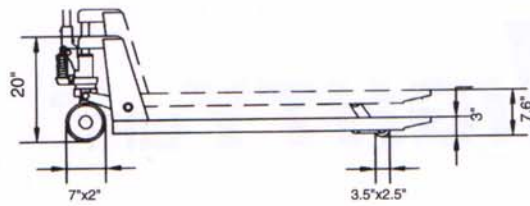

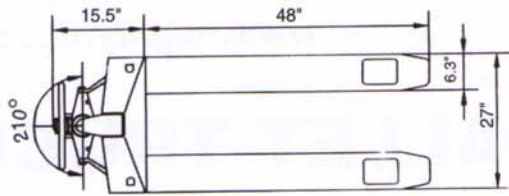

- Articulated steering wheels with permanently lubricated ball bearings for smooth rolling
- 210° arc for easy maneuvers
- Polyurethane wheels w/ iron core & dust covers

- Strong reinforced "C" channel forks, built to sustain heavy load
- Adjustable push rods for easy maintenance

- Dual entry/exit rollers for easy roll in/out
- Grease zerks designed to reduce wear & tear
